14,000+
physicians

190+
medical facilities
and hospitals

**choose COPIC
as their partner**

COPIC Coverage Area

Unparalleled Defense

24% less time to resolve a claim when compared to the national average=less time and energy spent dealing with a claim

30% fewer claims than the national average

Care for the Caregiver[®]—Peer support program to help deal with the emotional challenges of a lawsuit

PR/Reputation Support—Access to a communications expert who can help with media and reputational issues

Key Services and Programs

Access to a team of physicians, in-house attorneys, top defense counsel, specially trained medical professionals, and claims and HR specialists available to provide trusted guidance.

The following are no-cost benefits provided to COPIC insureds:

Direct access to experts

- 24/7 risk management hotline staffed by experienced physicians
- Our Legal team helps you navigate regulatory, legal, and business compliance issues
- Our HR Helpline assists with complex employee situations, scheduling seminars/trainings, and offers additional resources

Programs That Address Adverse Outcomes

- COPIC's 3Rs Program and Candor expertise focus on preserving the physician-patient relationship through open communication.
- Our 3Rs Program is recognized by *Health Affairs* and *The New England Journal of Medicine* as a benchmark in communication and resolution programs

Practice/Facility Assessments

- COPIC evaluates your systems to identify high-risk areas, and then develops a customized plan to address these with best practices that support regulatory compliance
- Each year, more than 2,000 providers are part of these on-site and virtual reviews

HR Services

- Seminars, customized trainings, and resources that offer guidance for dealing with complex human resources issues
- HR Helpline—one-on-one consultation with an expert

Your Education Partner

High-quality, meaningful education provided at no cost; participation may apply toward premium discount and many activities qualify for CME or CNE credit.

150+
seminars and over

60
on-demand courses
offered each year

Annual Symposium and Forum conferences that cover current trends and feature national experts

Timely topics such as:

- Managing opioids
- Errors in cognition
- EHR risks
- Combating burnout
- Liabilities with advanced practice providers

COPIC is a hub for professional education and a CME and CNE accredited provider.

Investment in the Health Care Community

- Year-long, dedicated focus on monitoring legislative and regulatory issues that impact health care
- COPIC's Resident Rotation program has been recognized as a benchmark in educating medical residents
- Named one of the 50 most community-minded companies in Colorado as a Civic 50 honoree two years in a row.

Comprehensive Policies

- Defense cost coverage for governmental investigations, medical board inquiries, disciplinary proceedings, and billing fraud and abuse investigations
- Embedded cyber liability coverage that includes tools and resources to help safeguard information and respond in the event of a ransomware attack.

More than

\$10M

in funding has been provided
by the COPIC Medical
Foundation

Financial Strength

- "A" (Excellent) rating from A.M. Best since 1999
- To date, COPIC has provided more than \$307 million in distributions to our insureds

Testimonials

"We use COPIC all the time for making decisions about credentialing, physician problems, and what is a reasonable procedure at my surgery center. A great resource that's always available."

"Availability, integrity, and forthrightness. I trust that COPIC has my best interests in mind."

"I will definitely stay with COPIC. They are heads above anyone else with their focus on prevention, keeping costs low, being transparent with costs and being physician-centered."
