

COPIC'S SOLUTION TO YOUR EMPLOYEE BENEFIT NEEDS

COPIC Financial Service Group (FSG) has recently joined forces with **Bene-Fit Solutions, LLC** to assist our clients with Payroll and Human Resources (HR) services. While **FSG** continues to broker employee benefit plans and workers' compensation coverage, **Bene-Fit Solutions** can provide HR-related services, including compliance, time and labor, and payroll.

FSG Services:

Employee Benefits:

- Shop the market to identify the best coverage and rates for each client's unique situation
- Hold employee meetings to communicate and provide education regarding group benefits
- Administration and claim support

Workers' Compensation and Compliance:

- Employment Practices Liability Insurance (EPLI)
- OSHA compliance
- Claims management
- Reporting and insurance audits

Bene-Fit Solutions Services:

Administrative Compliance:

- Employee handbook
- Review employee job descriptions
- Performance evaluations
- HR consulting
- COBRA benefit administration

Comprehensive Payroll Processing:

- Payroll processing
- Tax preparation and filing
- Detailed and customized reporting

Time and Labor:

- Vacation and sick leave
- Web-based HR portal

Why choose FSG and Bene-Fit Solutions?

We know there are many options in the market, but having a real person to call can make all the difference. Our team of experts are always available and bring an in-depth understanding to find the right insurance and financial planning products for each client's particular needs. FSG's partnership with Bene-Fit Solutions is rooted in personal, high-end service that is available on-site.

Together, we take the time to understand your unique needs and deliver the best, most inclusive options for you.

COPIC Financial Service Group (FSG) is an independent brokerage firm that is a part of COPIC's family of companies. FSG works with a variety of insurance carriers to find the best rates and plans to fit your individual situation.
